1:00 pm at the Ranch

Offering 40 SimAngus & Charolais Bulls

*We look forward to visiting
with you at the ranch!*

WELCOME

The Schrader Family would like to welcome you again this year to our ranch and home. We are excited to receive your reviews of our 2015 spring offering. Although we have been hosting a bull sale for 13 years, this will be the first in which all the bulls were developed here at the ranch and the Charolais bulls are offered alongside the Simm/Angus on the same day. We hope this will prove to be more convenient for those customers who utilize both breeds. It has been stated many times before that change is inevitable. Without question, Schrader Ranch has experienced several changes that have proved to be blessings over the last few years. We hope that like us, our customers find our decision to develop the bulls here at the ranch a positive change as well.

Modern framed, easy keeping, easy handling cattle that perform with favorable convenience traits, will always be the priority at Schrader Ranch. We were extremely proud when the crew that clipped our bulls stated that our bulls were the best disposition group they had done this year. Coming from a group of three individuals that prepare 3000 to 5000 thousand head of bulls/females each year from many different operations across the mid-west, we took it as a huge compliment.

We are proud to offer several of our Clawson nieces' and nephews' bulls again this year. Since they started their cow herd from youth projects, we have been flattered to give them guidance along the way. They are all young adults now and have started to pursue their individual interests. We are excited that Kurtis has made plans to return home this spring after graduation from Kansas State University to their family farming operation. We believe he has made this decision for all the right reasons.

We would like to thank all the staff at Suther Feeds and Direct Link. We truly appreciate all that our relationship with Suther's has done for us over the years. From an industry standpoint, they have supplied valuable information.

Please feel free to stop by the ranch before sale day to view the cattle. Laci or I will be more than happy to talk cattle.

The Schrader Family

Location

2118 Oxbow Rd, Wells, KS 67467

Directions

On I-35 - From Concordia - South 30 miles to Limestone Road/Wells Road or

From Salina - North 20 miles to Limestone Road/Wells Road

Turn East on Limestone Road (It is also marked as Wells to the East). Once you turn east, follow the blacktop about 10 miles through the curves as the road eventually turns straight north and becomes 210th. The ranch is located on the east side of the corner of 210th and Oxbow

From Clay Center - Go South 9 miles on 15 Hwy to the Oakhill blacktop road and turn west. (There is a power station on the East). Go west about 22 miles where a big curve will take you South. From the curve, Oxbow Rd is about 5 miles South. The ranch is on the East side of the road.

From Bennington (Hwy 18) - Take Nelson street north (which is the main street) about 7 miles to the first stop sign. Continue north another two miles to the second stop sign. Turn east onto Limestone road. Follow the curves (about 6 miles eventually going straight north) to Oxbow Road. The ranch sits on the east side.

Schedule of Events

Bulls available for viewing prior to sale by appointment.

Tuesday, March 17th

9:00 AM	Coffee & Treats
9:00 AM	Cattle available for viewing
11:30 AM	Lunch
1:00 PM	Bid-Off
After Sale.....	Social

Sale Day Phones

Spencer Schrader	785-488-7204
Laci Schrader	785-488-7227
Ranch	785-488-2135
Dan Suderman	620-381-1014

Marketing Partner

Suther Feeds - Direct Link

Dan Suderman & Spencer Schrader

Sale Procedure

All bulls will be given a base price. Any bulls having multiple buyer interest will be bid off. Otherwise, bulls with single buyer interest can be purchased at the base price.

Carcass Information

A supplement sheet of ultrasound results will be posted on our website - www.schraderanch.com and available sale day.

Sight-Unseen Purchased Bulls

If you are unable to attend, we will be happy to help purchase bulls on order with a guarantee of satisfaction.

All we ask is that you give us plenty of advance notice prior to the sale to fully discuss possibilities.

SCHRADER

ranch

• BULL SALE •

Tuesday, March 17, 2015
1:00 pm at the Ranch

Delivery or “Pick-up” Discount

A \$50 per bull discount is available to buyers who take their purchases home sale day. Otherwise, free delivery will be offered up to 300 miles from Schrader Ranch. Beyond that, we will assist to the best of our ability with travel arrangements.

Insurance

We will do everything in our power to ensure a safe environment for bulls until they go to their new homes. However, after the conclusion of the bid-off, the cattle become property of the buyer. Insurance options will be available sale day.

Sale Terms and Conditions

All animals sell under the terms and conditions of their respective breed associations.

Health Program

Birth.....	Vision 7 CD&T
May-14	Vision 20/20, Inforce 3, Bovishield One Shot, Dectomax
August-14.....	Vision 7 Somnus, Bovishield One Shot
September-14	Bovishield Gold 4, Dectomax
January-15	Cyonara (Lice control)
February-15	Bovishield Gold FP5 VL5

Herd Veterinarian

Dr. Kenn Lacy, Starr Vet Services
785-427-7379

Embryo Transfer

Dr. Glenn Engelland, Sun Valley Embryo Transfer
785-825-7600

Announcements

All announcements made sale day will take precedence over printed material.

Liability

Anyone attending the sale attends at their own risk. Schrader Ranch will not be responsible for any personal injury of individuals for attending this sale.

EPD Definitions and Terms

Expected Progeny Differences (EPDs): EPDs are the most accurate and effective tool available for comparing genetic levels. In using EPDs, the difference between two sires' EPDs represents the unit difference expected in the performance of their progeny. For example, if sires A and B have EPDs of +10 and -5, a 15-unit difference would be expected in their progeny (moving from -5 to +10 yields 15 units). Key to using EPDs is knowing in what units they are expressed. For example, if the above case referred to weaning weight EPDs, sire A would be expected to sire 15 pounds more weaning weight than sire B. If calving ease was the trait, sire A would be expected to sire 15 percent more unassisted births in first-calf heifers; in other words, if sire B sired 30 assists in a group of 100 heifers, we would expect sire A to require 15 assists. A percentile-ranking chart is required to determine where a bull's EPDs rank him relative to other bulls in the breed. For more detailed information about EPDs and \$ indexes, visit www.simmental.org. Listed below are the units in which ASA EPDs are expressed, you can find the full list online:

Calving Ease (CE): Percent of unassisted births when used on heifers.

Birth Weight (BW): Pounds of birth weight.

Weaning Weight (WW): Pounds of weaning weight.

Yearling Weight (YW): Pounds of yearling weight.

Milk (MILK): Pounds of weaning weight due to milk.

Carcass Weight (CW): Pounds of carcass weight at 475 days.

Maternal Calving Ease (MCE): Percent of unassisted births in first-calving daughters.

Yield Grade (VG): Carcass yield grade score at 475 days.

Marbling (MRB): Carcass marbling score at 475 days.

Ribeye Area (REA): Square inches of carcass ribeye at 475 days.

Warner-Bratzler Shear Force (WBSF): Pounds of force required to shear a ribeye steak.

All-Purpose Index (API): Dollars per cow exposed under an all-purpose-sire scenario. (See \$ Indexes for more details.)

Terminal Index (TI): Dollars per cow exposed under a terminal-sire scenario. (See TI for more details.)
